Venture Case

The professional solution

Functional case for all commonly used Notebooks and Olivetti or Canon printers. The mobile computing equipment is optimally protected by the especially unbreakable and impact-resistant case. The Notebook is removed from the case for work. The printer is lifted into position with the help of shock absorbers. It remains in the case on a stable plastic plate at a favorable operating height (Floor to Desk principle). The power supply is provided over the plug connectors delivered with the case. The power cable is invisibly installed in the case interior. The paper slots and extra compartments provide ample storage space for mobile accessories. The leather-covered handle ensures pleasant carrying comfort.

Art. No.: N 2058 P (black) / N 2068 P (charcoal gray) / N 2078 P (blue metallic) / N 2088 P (green metallic)
Color: black, charcoal gray, blue or green metallic
Ext. dimensions: 480 x 390 x 170 mm / 18.9 x 15.4 x 6.7 inches
Weight: 5.0 kg / 11.0 pd
